of Dundee

Dr. Mandar Gadgil  
Consultant General Surgeon

Monday, the 24<sup>th</sup> of May 2021

Dear Dr. Gadgil,

We hope this letter finds you safe and well during this time.

We, Hannah Prill and Jean Yu Choi, on behalf of the Dundee University Surgical Society (DUSS), would like to take this opportunity to thank you immensely and express our gratitude to you for your commitment to the Surgery Made Easy (SME) virtual lecture series, helping to make its first year of running a great success. When this online series was developed, it was the vision of DUSS to provide students with a platform to learn, be inspired and develop an interest in surgery during the course of the academic year and your dedication and enthusiasm for teaching our global student audience aided us greatly in achieving this goal.

Furthermore, it is with great pleasure that we wish to extend our warmest congratulations to you for winning the 'Most Attended Lecture in the SME Series' award – a true testament to your efforts in helping to make the series such a great success! Therefore, to honour this much-deserved award, we will be sending you a certificate.

As DUSS continues to expand and create more events for students across the globe, we very much look forward to working with you again in the future. Our student audience truly enjoyed having the opportunity to learn from your expertise.

Many thanks and kind regards,

Hannah Prill (President) & Jean Yu Choi (Vice President)
